May Newsletter - Number 9 - 2018

Dear Parents,

Just a quick update on up and coming events and to tell you about a few successes that Lanercost children have had.

Good luck to our Y6 children:

This week our Y6 children will be sitting their KS2 SATs, they have worked very hard in preparation for these tests and I am confident they will do well.

Dukes Barn Residential for Y5 and Y6:

Please can I remind parents that your child will need to be at Lanercost School for no later than 7.15am on Monday 21st May? The coach will be leaving at 7.30am.

Whole School Photo:

When do you think this whole school photo dates from? Do you recognise the school? Yes, it is the back entrance to Lanercost School and will have been from the time that children went to one school from the age of 5 -14, hence the large number of children. In

contrast to this our whole school photo of 84 children was taken last week and will be available to purchase shortly. There will also be the opportunity for year 6 parents to buy their year group photo as well.

Eden Rock Bouldering Youth Development Team:

On Sunday 29th April, a number of our children went to Eden Rock to try out for their Youth Development Team. We are delighted that Amelie and William M. have been selected, quite an achievement given that only eight out of 24 children were chosen. Well done to Eloise, Hugo, Felix and Fern who went along and tried their hardest.

Lanercost Under 11's Cricket Team:

Congratulations to Jack and William who played in their first match of the season against Penrith. Jack opened the batting for Lanercost and got 25 runs. It was a convincing win for the team

with 307 runs. Well done and I look forward to hearing how the team progresses. On Tuesday evening Lanercost Cricket Club runs a cricket practise for its youth section, if you are interested talk to either Karen Reed or Katie McClure for more details.

Visit to Donald Wilkinson's Gallery:

Years 5 and 6 children have had the opportunity to visit the studio of Donald Wilkinson (a local artist) over the past two Friday afternoons as part of their work towards their Arts Mark Explore qualification. They will be using Donald's work as a stimulus to create a group piece of art which will be displayed in the Priory before the end of term.

Term Time Holidays:

I need to remind parents that holidays will not be authorised for term time holidays unless they meet the exceptional circumstances listed in our attendance policy; which is on our website. Absence from school does have a negative impact on children's education.

Flag of the Month Homework:

We have another flag flying outside school for May. Please can your child find out about this country for their homework? A clue to the flag is it is part of the commonwealth.

Stars of the Week:
