<b>Things that I think the school is doing well</b>
My child has loved his Nursery year and has made lots of friends. He says he loves lots of fun! All the staff are caring and welcoming and we love to see what he has been doing on Tapestry. I can't thank the staff enough for all they have done for him this year and he is really looking forward to his reception year.
We have been very happy with the nursery experience.
My child enjoys nursery and talks about it at home.
We are impressed that the staff have identified my child's strengths and have provided challenges that are

appropriate to build on her abilities academically. She has settled into the nursery very quickly and is enthusiastic about her learning experiences.

My child absolutely loves nursery and has settled very quickly. If she has a wobble in the morning the staff make sure she feels secure in her surroundings. We are also very happy with her progress, the staff are particularly wonderful and engage fantastically with the children.

**Suggestions for how we can improve**

Would it be possible for more individual observations with age and stage of development to be done on Tapestry? Parents evening told us his targets and next steps but I am not sure as I am not sure where he is at in his learning.
