

## Useful Websites

The following links are checked on a regular basis but even so I can't guarantee their reliability. You would be advised to check them yourself and report any failed / corrupted links to your school:

[www.thinkuknow.co.uk/parents](http://www.thinkuknow.co.uk/parents) – CEOP's education site containing areas of interest for all age groups including parents and teachers.

[www.facebook.com/clickceop](https://www.facebook.com/clickceop) Let's you "Like" the CEOP page. Also has lots of additional information.
